### I Don't Want to Live on the Moon

(Written by J. Moss)

Well I'd like to visit on the moon  
On a rocket ship high in the air  
Yes I'd like to visit the moon  
But I don't think I'd like to live there

Though I'd like to look down on the earth from above  
Soon I'd miss all the places and people I love  
So although I might go there for one afternoon  
I don't want to live on the moon

I'd like to travel under the sea  
I could meet all the fish everywhere  
Yes I'd travel under the sea  
But I don't think I'd like to live there

I might stay for a day there if I had my wish  
But there's not much to do if your friends are all fish  
An oyster and clam aren't real family,  
So I don't want to live in the sea.

I'd like to visit the jungle hear the lions roar  
Go back in time and meet a dinosaur  
There's so many strange palces I'd rather be  
But none of them permanently

So if I should visit the moon  
Well I'll dance on a moon beam and then  
I will make a wish on a star  
And I'll wish I was home once again

Though I'd like to look down from the earth from above  
Soon I'd miss all the places and people I love  
So although I may go I'll be coming home soon  
Cause I don't want to live on the moon  
No I don't want to live on the moon  
No I don't want to live on the moon
