

I Don't Want to Live on the Moon

Well I'd like to visit on the moon
On a rocket ship high in the air
Yes I'd like to visit the moon
But I don't think I'd like to live there

Though I'd like to look down on the earth from above
Soon I'd miss all the places and people I love
So although I might go there for one afternoon
I don't want to live on the moon

I'd like to travel under the sea
I could meet all the fish everywhere
Yes I'd travel under the sea
But I don't think I'd like to live there

I might stay for a day there if I had my wish
But there's not much to do if your friends are all fish
An oyster and clam aren't real family,
So I don't want to live in the sea.

I'd like to visit the jungle hear the lions roar
Go back in time and meet a dinosaur
There's so many strange places I'd rather be
But none of them permanently

So if I should visit the moon
Well I'll dance on a moon beam and then
I will make a wish on a star
And I'll wish I was home once again

Though I'd like to look down from the earth from above
Soon I'd miss all the places and people I love
So although I may go I'll be coming home soon
Cause I don't want to live on the moon
No I don't want to live on the moon
No I don't want to live on the moon
